

ENFRNTE

Step ahead to nursing

YOUR ROAD MAP FROM 8TH GRADE TO NURSING SCHOOL

Follow this map and stay on the right path to your future career in healthcare. Don't forget to go to enfrNte.org for helpful tips or to speak to an advisor anywhere along the way.

Meet with your counselor to talk about a healthcare career.

CHECK POINT
1

CHECK POINT
2

Decide if nursing is the healthcare career path for you.

Select a healthcare magnet school or other early college school with a healthcare track.

CHECK POINT
3

CHECK POINT
4

During high school, focus on sciences first! Prerequisites like anatomy, physiology, chemistry and microbiology can put you steps ahead of other nursing school applicants, especially if your school offers dual credits!

Take advantage of healthcare certifications, like CPR, and other hands-on experience opportunities your school or community offers.
